

Privacy Briefing Sydney

14 February 2017, 9.30am – 11.30pm

Hosted by The Office of the Privacy Commissioner

Agenda

The meeting will be held in a Court Room set up.

9.15am Registration & Coffee

9.25am Welcome and update from Biometrics Institute
Isabelle Moeller, Chief Executive, *Biometrics Institute*

9.35am **Privacy - Currency or Victim of Convenience?**
Each member of the panel will provide a 10-minute perspective or commentary on the topic. Commentaries will draw on their unique backgrounds, expertise and experiences.

Moderator:

Hon Terry Aulich, Head of Privacy and Policy Expert Group, Biometrics Institute

Panel:

Dr Elizabeth Coombs, Acting NSW Privacy Commissioner

As Acting NSW Privacy Commissioner, Dr Elizabeth Coombs' role includes promoting privacy as well as preparing reports recommending legislative, administrative or other action in the interests of privacy as well as conducting inquiries and investigations into privacy related matters.

Dr Katina Michael, Professor, School of Information Systems and Technology
University of Wollongong

Katina is the IEEE Technology and Society Magazine editor-in-chief, and IEEE Consumer Electronics Magazine associate editor. Since 2008 she has been a board member of the Australian Privacy Foundation, and until recently was the Vice-Chair. Michael researches on the socio-ethical implications of emerging technologies.

John Kendall, Member of the Biometrics Institute's Privacy & Policy Expert Group and
Director Security Programs - Asia Pacific, Unisys

John is a subject matter expert in the application of biometrics and identification, having developed deep first hand insight into how organisations can leverage these technologies to achieve improved efficiency and greater security in the areas of law enforcement, corrections and civil identification.

Stephen Wilson, Founder, Lockstep Consulting

Stephen Wilson is a researcher, innovator, analyst and adviser in digital identity and privacy. He recently conducted a feasibility study and design for the Biometrics Institute's proposed Privacy Trust Mark.
